

Engineering Requests

Lockrey Manufacturing's ISO9001:2000 Certified Engineering Department will develop a drawing(s) based on sample(s) provided. However, Lockrey can not assume any responsibility with the manufacturability of the part/product and necessary tolerances.

Our Engineering Service is offered at a rate of \$165.00 per hour or a minimum billing of \$65.00. Once the drawing is approved by the customer, Lockrey can manufacture the part/product to your approved drawing.

If you would like to request Engineering Services, please provide the information requested below and fax to 419-476-1324.
